You are invited to
celebrate the **Acton Drinking
Water Centennial Event**

**SATURDAY, MAY 5
2012**

Acton Drinking Water Centennial Event 1912-2012

SATURDAY, MAY 5TH

10:00 AM

Your Water Today and Tomorrow – challenges to ground water resources, protection, uses and delivery to your tap!

Join us for two panel discussions:

- A distinguished panel of professional hydrology, environmental, civic, technology and system leaders will discuss how we deliver the finest drinking water.
- A student roundtable of AB students who will address water in their lives and their future in this community.

Location

Acton Memorial Library
486 Main Street, Acton

12:00 PM – 3:00 PM

OPEN HOUSE (for all ages)

- **Lunch Provided**
- **Tours of the Filtration Facility**
- **Educational Exhibits** – Conservation & Efficiency, Groundwater Model, Smart Irrigation and Landscaping Resources, High Efficiency Toilet Demonstration, Water Treatment and Delivery
- **Raffle** – free raffle drawings for water saving products including a WaterSense toilet and a rain barrel
